## ICKEE STICKEE UNSTUCK

Graffiti & Adhesive Remover

### Product Description

Removes tar, grease, graffiti, and even tape residue from any hard surface quickly and easily. 100% Biodegradable, it will not contribute to Global Warming, and is safe to use anywhere! Easy application and disposal, fast working time, and low cost makes it a very attractive substitute for traditional petro-based chemicals that are hazardous to people and the environment.

### Applications

Spray a small amount of Ickee Stickee Unstuck on the surface. Allow to sit for 10-30 seconds (increase time for tougher jobs). Wipe surface clean with a dry or damp cloth.

For use on concrete and shop floors. Spray Ickee Stickee Unstuck on the surface. Work in by scrubbing vigorously. Allow to sit for several minutes (increase time for tougher jobs). Spray or wipe clean with water or cloth.

*\* Not recommended for use on vinyl or PVC surfaces.*
